

2018-2019 MSPN Priority List

SHORT TERM PRIORITIES

**Priorities that we think we can complete quickly and easily*

1. Accurate Data Collection & Sharing
 - Establish baseline and add resources based upon both attempts and losses
 - Comprehensive list of services and resources by region
 - What do we have, what do we need and what do we want?
 - Enhance Statewide Suicide reporting
2. Start Registry
3. Media Promotion
 - Develop Common Language – What is the message? (common mission-vision)
 - Develop Website/Social Media
 - Promote regional trainings
4. Education for all sectors of our communities (Targeted Toolkits)
5. Re-evaluate the Missouri State Plan Amendment
6. Connect to Trauma Informed Efforts
7. Increase Prevention
8. Statewide Training for Frontline persons
9. Legislative supports
 - Data from Schools re HB 1583 (by July 1, 2021)
 - Endorse/Support 3-digit hotline number
10. Policy Meeting
 - Awareness for general population. Facts/increased risks
11. Life Supports – Real and Effective Prevention Options
 - Create a map
 - Safe place for fire arms
 - Coping – take time, talk, decrease impulsivity, apps = My3
 - Safety Plans – Connection and Cards

LONG TERM PRIORITIES

**Priorities that we think will be harder to implement quickly and take time to complete*

1. Connect to HEDIS efforts
 - Warm hand-off
 - Workforce
 - Standard of care
2. Address Payor/funding needs/resources
3. Increase Access to Care
4. Pre-K – 12 Mental Health Education and Screenings
5. Regional Suicide Response Teams
6. Standardized assessment for suicide risk
